

JGHS – School Council – dates for your Diary

The School Council meetings are open to all parents and carers in the School. The meetings also include representation from the staff representation and from the school students.

The business meetings will have a main topic for discussion, which gives us all the opportunity to discuss with the School in more detail on areas of policy and the curriculum. The Head Teacher gives a regular report too. Members of the School Council participate in Edinburgh-wide parent and local authority meetings on behalf of JGHS, so we can hear more on that too.

The Events Group brings parents and carers together to volunteer with provision of refreshments at various School events, and arranges other specific events. Fundraising supports additional projects in School.

Check our website for more information: <http://council.jghs.org.uk/>
Sign up for the JGHS School council E-Bulletin: council@jghs.org.uk
Look out for our hard copy Bulletin each term.
