# Pupil Support Structure

Pupils are placed into one of our four communities: Darach, Lauder, Roslin, Spylaw

Each pupil will have a Pupil Support Leader. This is the main point of contact for any pastoral issues.

Each community has a Support for Learning teacher assigned to them.

Each community has a DHT who acts as the Community Head.

# Additional Supports @ JGHS

InclusionX is our enhanced provision which offers additional support, both socially and emotionally as well as academically to pupils who require it.

Referrals are made by the Community Team and appropriate support offered to pupils who would benefit.

We also work with a number of external organisations who can run both 1-2-1 and group support for young people who require it.
